

Cost of Program Letter

Dear Prospective Student,

Thank you for taking the first step to getting help for yourself.

Teen Challenge is a 501c3 non-profit, faith-based program ministering to people with life controlling problems. 180 Ministries-Teen Challenge of the RM operates under the accreditation of Teen Challenge International and is independently governed by a local Board of Directors. It is not underwritten by any organization or agency.

It costs approximately \$2,700.00 per month to maintain each woman in the program. We realize that this is a substantial amount of money and most students entering the program need sponsors (such as family, friends, church, businesses) to support them.

Please read the attached Sponsor Letter and make as many copies as you will need to present to those who would be willing to sponsor you. As you receive commitments back please return as listed on the letter.

Upon entering the program we ask that you:

- Assist with fundraising projects while you are enrolled in the program.
- Pay a \$500.00 nonrefundable application/deposit fee before entering the program.
- Bring \$30.00 in cash to be used for emergencies.

IMPORTANT INFORMATION

What is the 180 Ministries - Teen Challenge program?

180 Ministries – Teen Challenge is a 12-month, faith-based, residential program for life-controlling behaviors and addictions. We also provide an optional second year re-entry program for those wishing to transition back into society under our umbrella.

Who does 180 Ministries - Teen Challenge help?

Any woman 18 years of age or older who has a life controlling problem:

- Drug or alcohol habit: Consistent use and abuse
- Emotional problems: Problems that stem from drug, alcohol or other abuse. Others will be considered on an individual basis.
- Behavioral problems: Problems due to lack of taking responsibility, lack of self-discipline, lack of motivation, lack of self-esteem or laziness.

Women who are willing to enter the program voluntarily and are willing to change their present lifestyle. Women willing to accept a structured, disciplined Christian environment in order to overcome their problems.

We are UNABLE TO ACCEPT INDIVIDUALS WHO:

- Are on certain mood-altering medications.
- Have exhibited signs of psychotic behavior or dangerous tendencies.
- Have been convicted of a crime that is sexual in nature against a minor.
- Have a warrant for their arrest.
- Have court ordered probation requirements or classes that interfere with the structure or influence of the program.
- Have a known communicable disease.
- Have a medical condition that exceeds our ability to provide adequate attention.

What does the 180 Ministries - Teen Challenge program offer?

We are concerned with the "total person". The program structure is aware of each person's spiritual, mental, physical, social and educational needs.

SPIRITUALLY:

180 Ministries – Teen Challenge deals with the person's problems as symptoms that relate to deeper problems and conflict. We believe that zeroing in on a person's spiritual need is when and where healing in that life begins. Through faith in Christ, individuals find the changing power that gives the ability to cope with problems and live a more effective life.

MENTALLY:

The rebuilding of the used and abused mind is of key importance. The consistent study of the Bible along with a Bible based life skills

curriculum are the tools used to enhance mental growth by serving as a foundation for the restructuring of broken down thought patterns, creating new, more stable ideas and principles.

PHYSICALLY: Our program provides an environment that includes shelter, food and

basic needs as well as work, rest and recreation. As students begin to function in a drug free environment, physical health usually begins to

improve greatly.

SOCIALLY: Through the benefits of a group living situation, students are taught

the biblical perspective of relationships and conflict management, thus helping them to be more successful in relating to family, peers and

authority.

TAKE SPECIAL NOTE

Withdrawal from drugs and alcohol is without medication and we highly recommend that you go through a detoxification before entering the program. Even if you feel you would fit into the program, we reserve the right to deny your application. Non-compliance with all steps or deceptive information constitutes grounds for denial of application.

180 Ministries-Teen Challenge reserves the right to search your belongings at any time. Periodic police drug searches may be conducted. Anyone found with drugs in their possession will be arrested by the police.

You will be required to abide by all rules in the Student Handbook. The Student Handbook is available online at 180ministries.net.

MESSAGE TO STUDENTS

We are pleased that you are considering 180 Ministries to begin your recovery from addiction. Coming into the program can be difficult at first. When drugs and alcohol wear off, and you find yourself away from all that's familiar a variety of emotions can be experienced. Feeling of anger, pain, guilt, homesickness, or even being trapped, can creep in on you. Experience tells us that once an individual passes through this initial struggle they will adjust to the program.

180 Ministries is a culture of responsibility. Our basic premise is that one must assume responsibility for her own life. You must own the responsibility for your thoughts, choices, and life patterns. Difficult experiences can contribute to life controlling addiction but cannot be a reason for remaining in addiction. Your negative experiences do not need to dictate your life. Regaining control of your life

begins when you allow God to change your heart and continues as you learn to live responsibly.

We believe that true change comes from what God can do on the inside of us. Teen Challenge is one of the most successful faith-based recovery programs in the world; we contribute our success to our foundation in faith. If you are interested in faith-based recovery, 180 Ministries is the place for you to overcome addition and begin a new life.

A MESSAGE TO FAMILIES

Families will need to be strong. We must shut the door on every excuse to leave the program prematurely. As brave as the student may appear, fears of facing the challenge of changing their life is real. The family's instinct is to relieve pain, but there's no growth without it. 180 Ministries must have the family's support throughout the process of change. We ask that you encourage them to stay the course and refuse to support a departure from the program.

When you have questions about what is communicated to you from your student through phone calls or letters, please contact us.
